Description: Upon leaving Aquarium of the Bay we travel through busy Fisherman's Wharf along the waterfront and Jefferson Street where we share the street with traffic before transitioning to a Class I path through Aquatic Park, Fort Mason, along Marina Green, into Crissy Field, into the Presidio and onto the Golden Gate Bridge. Coming into Sausalito in Marin County, there is no bike facility on Alexander Avenue but a decent shoulder exists for the downhill ride to the Sausalito Ferry for our return to Pier 41.
